PRIMER

SERIES

Epoprime 2K

- Exceptional adhesion
- Chemical resistance
- Corrosion resistance
- Smooth application

Polyprime 2K

- Excellent filling properties
- Sanding ease
- Good adhesion
- Fast drying
- Enhanced flow and leveling

CLEARCOAT

SERIES

Polyclear 2K

- Superior gloss finish
- Ease of application
- Durability and protection
- Fast curing times

BASECOAT & TOPCOAT

SERIES

BASECOAT

Catinabase, Primabase

- Sharp, consistent color
- Easy application
- Good coverage
- Quick drying
- High durability
- Solid color
- Metallic color
- Special effect

TOPCOAT

Polycryl 2K 21, Polycryl 2K 41

- Excellent durability
- High gloss finish
- Ease of application
- Good color retention
- Solid color
- Texture color

THINNER & AUXILIARY

SERIES
